At Hutchinson At Home we pride ourselves on discreetly helping clients continue to enjoy the comfort, privacy and independence of their own home. We will be there to provide the peace of mind you need and the dignity, choice and professional support you and your loved ones need.

As well as offering home care we offer a Support & Companionship Scheme. This scheme allows family members to take a break from caring, safe in the knowledge that their loved ones are being cared for by our friendly and well-trained members of staff.

Our Support and Companionship Scheme offers:

- Total flexibility tailored to suit your needs.
- Assisted shopping trips for that extra pair of hands.
- Visits to places of interest including relaxing walks.
- Help around the home and garden.
- Companionship with visiting our local Dementia Friendly Garden Centre for morning coffee, lunch or afternoon tea or simply to pick up garden plants and accessories.
- Assistance with modern day communication such as Skype, social media or just use of a mobile phone to keep in contact with loved ones.

All our services are exclusively tailored to ensure the best quality of life whatever your situation.
